

National League System Levels 5 & 6 Combined Counties to Hellenic Football League

By John Aitken

National League System Levels 5 & 6 Combined Counties to Hellenic Football League

Level 5 of the National League or Level 9 on the Pyramid League System has 14 Divisions which can promote to either to the Northern Premier League Division One North or South, Isthmian League Division One East, North & South or to the Southern League Division One Central or South West if the clubs meet the Grading Standards for the Leagues. The road directions are national directions and not local ones!

Level 6 of the National League or Level 9 on the Pyramid League System are promoted to Premier Division level Five or are relegated to the Middlesex County League, Surrey Elite League or Thames Valley Football League Premier Division.

The symbols are:

= Local Bus

= Car

= Rail Train company

= London Underground Transport

→ = Walking Distance

= Metro

= Ferry

= DLR

= London Overground

Ground Guide

Leatherhead's ground is a perfect non-league venue – old rambling stands, a decent bar and hospitable fans. The main stand is a small covered affair with an old tin roof, steeped in history. Behind one goal is a covered terrace which sits on a hill. The club has a decent bar with an area to watch the game from outside whilst having a beer. You will also find the small shed club shop in this area.

Driving to the Ground

Leave the M25 at Junction 9. At the roundabout at the end of the slip road, take the second exit or from the North third exit which is sign posted A246 Cobham. At the next roundabout, take the first exit onto Kingston Road you will pass an Esso garage on the right and then a Shell garage on the left.

Immediately after the Shell garage, there is a give way sign and take the outside lane and follow the road round to the right. As you go down the hill, switch to the left hand lane and follow the road round a sharp left turn. After a Pumping Station (left hand side) the road bears round to the right. Take the first turning left (before Railway Bridge) and the entrance to the ground is approximately 50 metres on the left hand side. For the car park carry on down the road for a hundred yards and you can park free of charge in the Leisure Centre.

Ground Guide

The majority of the facilities are on the west side of the ground with an all-seater stand level with the half-way line on this side. This stand consists of half a dozen rows of metal benches with chair cushions at the back of the stand to be put over the metal surfaces for anyone wanting to sit on these. Close to this is a covered standing area which is adjoined to a pretty

National League System Levels 5 & 6 Combined Counties to Hellenic Football League

decent clubhouse. This section is populated with chairs and benches in both the covered area and out in the open.

The remainder of the ground is uncovered standing although there is not a great deal of room round the other three sides of the stadium. There is a concrete walkway behind the goal at the northern end along with some high fencing to catch wayward balls. On the east side of the pitch is the team dugouts.
